Our statement

Vista Education (part of Vista Wellbeing CIC) acknowledges its duty of care to safeguard and promote the welfare of children and is committed to ensuring safeguarding practice reflects statutory responsibilities, government guidance and complies with industry best practice.

We recognise that the welfare and interests of children are paramount in all circumstances. Through this policy statement we aim to ensure that regardless of age, ability or disability, gender reassignment, race, religion or belief, sex or sexual orientation, socio-economic background, all children:

- ✓ have a positive and enjoyable experience in a safe and child-centred environment
- ✓ are protected from abuse whilst participating in training courses and related activities.

We acknowledge that some children can be particularly vulnerable to abuse and we accept the responsibility to take reasonable and appropriate steps to ensure their welfare.

- ✓ ensure appropriate action is taken in the event of incidents or concerns of abuse and support provided to the individual(s) who raise or disclose the concern
- ✓ ensure that confidential, detailed and accurate records of all safeguarding concerns are maintained and securely stored
